

Dave Robertson's Information

I am running in our electoral area for Director of Central Okanagan West because I sense a mood of discontent in this District. We must have a voice in determining what our Community needs and a Director who can fulfill those needs.

We need a Director who will aggressively protect our interests and take a stand for us. A Director does not “go with the flow”. Rather, a good Director works cooperatively with the Regional Board and their staff to “direct” that flow to enhance our common interest.

The attached brochure will provide some information about me.

You can be assured I will do everything in my power to improve the quality of life in this District if I am elected Director.

Yours respectfully,
Dave Robertson
