**TO:** Chair & Members of the Regional Board

(File: 0540-20-01)

---

### RECOMMENDATION:

**THAT** Norm McLeod, Peter Austin, Joe Iafrancesco, Don Bennison, Helmuth Mitchell, and Ben Hansen be appointed to the Central Okanagan West Advisory Planning Commission for two year terms.

### BACKGROUND:

It is noted that current membership for the Central Okanagan West APC stands at two as five individuals terms have expired. The APC Bylaw for the Regional District allows for up to eight (8) members on each APC appointed for two year terms. The Bylaw requires that appointments be endorsed by the Regional Board on advice from the Electoral Area Directors. Mr. Jim Edgson, Central Okanagan West Electoral Area Director is recommending that one new member, Mr. Ben Hansen be appointed, in addition to the appointment of the five commission members whose terms have expired. Approval of the noted individuals brings membership to the maximum provided for in the APC bylaw.

Planning staff of the Development & Environmental Services Department is providing this for the information and consideration of the Board.

Respectfully submitted,

Ron Fralick, MCIP
