Gibson Heritage House

Open June to August
Saturday and Sunday, Noon to 4 pm

Visit Gibson Heritage House and discover what life was like on an orchard homestead in the early 1900s. This stately beach home was built by George Gibson in 1912 and has been entirely restored and refurnished by community donation. It includes artifacts from the 1910-1930 era and local historical information. Free school or community tours and programs offered by appointment.

While you're at the park you can also enjoy a swimming beach, picnic area, playground and baseball diamond.
