

Commercial Hazardous Waste Safe Disposal Directory

It's important to handle hazardous materials safely, in accordance with local and provincial regulations. Arrangements can be made with one of the companies listed below for disposal of your hazardous materials. For more info, contact the Waste Reduction Office at 250-469-6250, or the Recycling Council of BC at 1-800-667-4321.

If your waste material is not listed here, please call the Regional Waste Reduction Office at 469-6250, or the BC Recycling Hotline, provided by the Recycling Council of BC, at 1-800-667-4321.
