

Westside Residential Disposal & Recycling Centre/Landfill Closure News

February 2014

This is our monthly update on the operations of the Westside Residential Waste Disposal and Recycling Centre and on the progress of the landfill closure.

News and Information

Residential Waste Disposal and Recycling Centre

- January was a very busy month at the facility. Not only were residents taking advantage of the free Christmas tree drop off program, but it appears the generally warmer and less snowy weather during January meant some people were able to get an early start on their yard clean up. During the month there were 754 individual loads of yard waste/Christmas trees dropped off at the facility. All this material is transported and chipped off site.
- Safety railings in the garbage disposal area have been secured once again.
- The Residential Waste Disposal facility is open Friday, Saturday, Sunday and Monday from 7:30 am to 4:00 pm. The gate closes at 3:50 pm to permit our last customers to unload materials. All loads from residents of West Kelowna, Peachland, Central Okanagan West and Westbank First Nation reserves must be covered during transport to the facility in order to prevent the spread of litter along our roadways.
- West Kelowna, Peachland and Central Okanagan West residents may drop off recyclables at the site seven days a week, 7:30 am to 4:00 pm.
- If you see any suspicious activities or people onsite after hours, please contact the RCMP by dialing 9-1-1.
- Use our online form to report an illegal dump site at regionaldistrict.com/recycle or contact the Regional Waste Reduction Office at 250-469-6250 or email recycle@cord.bc.ca.

- Visit regionaldistrict.com - Select Quick Links / Environment – Westside Waste Disposal and Recycling Centre menu option.

Landfill Closure

- At this point we have nothing further to report regarding the Final Closure Plan.

Once Final approval is given by the Ministry to the Westside Landfill Closure Plan, we will proceed with scheduling and publicizing an Information Open House to highlight the plan and its key elements.
