## Auditors' Report

---

### **To the Chairman and Directors of the Board of Regional District of the Central Okanagan**

We have audited the consolidated statement of financial position of Regional District of the Central Okanagan as at December 31, 2004 and the consolidated statements of financial activities, current fund operations, capital fund operations, reserve fund operations, and cash flows for the year then ended. In the process, we have audited the General fund, the Water funds, the Sewer funds, and the Reserve funds balance sheets of Regional District of the Central Okanagan as at December 31, 2004 and their statements of operating surplus and equity in physical assets, operating revenue and expenditure and transactions for the year then ended in relation to the consolidated financial statements taken as a whole. These financial statements are the responsibility of the District's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In our opinion, these financial statements present fairly, in all material respects, the financial position of the District as at December 31, 2004 and the results of its operations for the year then ended in accordance with Canadian generally accepted accounting principles.

## Regional District of the Central Okanagan Summary of Significant Accounting Policies

December 31, 2004

---

<b>Basis of Presentation</b>	It is the Regional District's policy to follow accounting principles generally accepted for municipalities in the Province of British Columbia. The consolidated financial statements include the account of all funds for the Regional District. All interfund transfers have been eliminated. They have been prepared using guidelines issued by the Public Sector Accounting Board (PSAB) of the Canadian Institute of Chartered Accountants.
<b>Basis of Accounting</b>	<p>The resources and operations of the Regional District are segregated into various funds for accounting and financial reporting purposes, each being treated as a separate entity with responsibility for the stewardship of the assets allocated to it.</p> <p>The accrual method is used, with the exception of principal, interest, and foreign exchange on long-term liabilities which are charged against operations in the period they are paid. The accrual basis recognizes revenues and expenditures as they become reasonably certain and are measurable.</p>
<b>Capital Assets</b>	Capital asset expenditures are charged directly to the appropriate fund and in the capital fund are recorded at cost along with the related source of financing and equity therein. There is no amortization recorded on capital assets.
<b>Vacation and Sick Pay</b>	Vacation pay, which may be accumulated up to two weeks, is charged to expense in the year paid. Sick leave, which has a maximum accumulation of thirty-five weeks is also charged to expense in the year it is accumulated. Earned sick leave is paid to a maximum of seventeen and a half weeks upon termination of employment.
<b>Development Cost Charges</b>	Development Cost Charge (DCC) levies are restricted by by-law in their use for water and sewer expansion and the revenue is deferred until the expenditures are incurred. When DCC expenditures are made, a corresponding amount is recorded as "Contribution from property owners and developers."
<b>Reserve Fund Balances</b>	The Regional District has appropriated certain funds for future capital expenditures for specific projects or studies. Expenditures from a reserve can only be made with approval from the Ministry or in accordance with by-law directives.
<b>Debt Charges</b>	The interest portion of debt charges is charged against current operating revenue in the year in which it is paid. Principal payments are recorded as a reduction of fund balances and net debt.

## Regional District of the Central Okanagan Summary of Significant Accounting Policies

December 31, 2004

---

<b>Financial Instruments</b>	Unless otherwise noted, it is management's opinion that the Regional District is not exposed to significant interest, currency or credit risks arising from its financial instruments. The fair values of these financial instruments approximate their carrying values, unless otherwise noted.
<b>Budget Figures</b>	The budget figures are from the Annual Budget Bylaw to be adopted each year. They have been reallocated to conform to PSAB Financial Statement Presentation. Subsequent amendments have been made by the board to reflect changes in the budget as required by law.
<b>Comparative Figures</b>	Certain comparative figures have been restated to conform to the presentation adopted for the current year.
<b>Use of Estimates</b>	The preparation of financial statements in accordance with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from management's best estimates as additional information becomes available in the future.
<b>Revenue Recognition</b>	Taxation revenues are recognized at the time of issuing the property tax notices for the fiscal year. Sale of services and user fee revenues are recognized when the service or product is provided by the Regional District. Grant revenues are recognized when the funding becomes receivable.

## Regional District of the Central Okanagan Notes to Financial Statements

**December 31, 2004**

### 1. Cash and Funds on Deposit

Included in cash and funds on deposit is \$10,044,129 (2003 - \$1,992,312) which has been specifically set aside for internally and externally restricted reserves. As at the year-end, the actual reserve liabilities are \$11,293,615 (2003 - \$9,020,736).

### 2. Accounts Receivable

	2004	2003

Other	811,331	587,077
	\$ 2,152,842	\$ 1,652,848

### 3. Reserve - Municipal Finance Authority

The Regional District issues its debt instruments through the Municipal Finance Authority. As a condition of these borrowings, a portion of the debenture proceeds are withheld by the Municipal Finance Authority as a debt reserve fund. The Regional District also executes demand notes in connection with each debenture whereby the Regional District may be required to loan certain amounts to the Municipal Finance Authority. These demand notes are contingent in nature and are not reflected in the accounts. The details of the cash deposits and demand notes at year end are as follows:

	Demand Notes	Cash Deposits	2004	2003

**6. Landfill Closure and Post-Closure Care**

The British Columbia Environmental and Enhancement Act sets out the regulatory requirements to properly close and maintain all active and inactive landfill sites. Under environmental law, there is a requirement for closure and post-closure care of solid waste landfill sites. This requirement is to be provided for over the estimated remaining life of the landfill site based on usage.

The remaining capacity of the Westside Sanitary Landfill is 558,394 cubic meters which is expected to be reached by 2015. Closure will involve covering the site with topsoil and vegetation, drainage control, and installing groundwater monitoring wells. Post-closure care activities for the landfill are expected to occur for 25 years and will involve surface and ground water monitoring, maintenance of drainage structures, monitoring leachate and landfill gas, and landfill cover maintenance. Based on the 1999 Westside Landfill Report, the total closure costs were estimated at \$1,230,500. Accordingly, in 2002 the District transferred an amount equal to the total estimated landfill closure costs to the Capital Projects Reserve Fund (see Exhibit 27).

**10. Pension Liability**

The Regional District of the Central Okanagan and its employees contribute to the Municipal Pension Plan (the plan), a jointly trustee pension plan. The Board of Trustees, representing plan members and employers, is responsible for overseeing the management of the pension plan, including investment of the assets and administration of benefits. The pension plan is a multi-employer contributory pension plan. Basic pension benefits provided are defined. The plan has about 130,000 active members and approximately 45,000 retired members. Active members include approximately 29,000 contributors from local governments.

Every three years an actuarial valuation is performed to assess the financial position of the plan and the adequacy of plan funding. The most recent valuation as at December 31, 2003 indicated an unfunded liability of \$789 million for the basic pension benefits. The next valuation will be as at December 31, 2006 with results available in 2007. The actuary does not attribute portions of the unfunded liability to individual employers. The Regional District of the Central Okanagan paid \$386,486 for employer contributions to the plan in fiscal 2004.

---

**11. Commitment**

The Regional District has entered into an operating lease for equipment. The equipment is leased at \$3,688 per month at an interest rate of prime less 1%.

The minimum annual lease payments for the next five years are as follows:
