This EVACUATION ALERT is a notification of the POTENTIAL danger which might arise due to wildland fire in your area. The reason evacuation alerts are issued is to notify residents of the potential for loss of life from wildfire. It would be prudent for residents to prepare to leave this area with very short notice.

This EVACUATION ALERT is for residents in the Wilson's Landing, area of Westside Road and the Bear Lake Main Forest Service Road area up to kilometre 13, as noted on the attached map.

This alert may be followed by an immediate order to evacuate, with more updated information on the condition, and when an evacuation order is issued you must leave your home immediately.
