Applications Welcome for Advisory Commission Members

If you live within the Regional District of Central Okanagan and are interested in future development in your community, the Regional District would like to hear from you.

Communications Officer Bruce Smith says “We’re currently looking for volunteer members to serve on the Agricultural Advisory Commission, Central Okanagan West Electoral Area Advisory Planning Commission, and the Environmental Advisory Commission.”

He adds, “Each group works with our Planning staff to advise the Regional Board by reviewing various development applications and referrals within the Electoral Areas pertaining to agriculture, land use and environmental sustainability. The comments and recommendations provided by the Commissions are considered by the Regional Board at time of decisions.”

Members of each Advisory Commission will be selected on the basis of various criteria established within the Terms of Reference or bylaw for each respective commission. The selection criteria may include demonstrated interest and participation in community matters, area of residence, academic and/or technical qualifications, knowledge, and professional expertise.

Information about each of these Advisory Commissions is available online by visiting regionaldistrict.com/advisorycommissions or by contacting Regional District Community Services by e-mail at planning@cord.bc.ca or by calling 250-469-6227.

There’s a convenient link to an online form that can be completed and submitted on the Regional District website. Forms may also be downloaded, completed and dropped off in person or by mail.
