

*The **Regional District of Central Okanagan** is one of the most desirable places to live in BC and is located in the heart of the scenic Okanagan Valley. The appeal of Okanagan Lake, the natural beauty of the surrounding hillsides and the fragrant orchards and vineyards continue to draw people to the valley. Our lifestyle is second to none especially for those who live to enjoy the outdoors.*

## **Business Systems Analyst – Level 1**

We are seeking applications for the full-time position of *Business Systems Analyst – Level 1*. Reporting to the Manager of Information Services, this position works with departments on projects and is responsible to develop, design, implement and support the Regional District's business applications using a combination of 3<sup>rd</sup> party and customized software. This includes providing user support, determining system requirements, evaluating the effectiveness and utilization of existing applications, troubleshooting existing applications and researching/testing new applications.

To be successful in this role, you must have a Diploma in Computer Science or a Bachelor Degree in Business Administration, or relevant area of study with a focus on Information Technology. This position requires excellent problem solving and analysis abilities and strong interpersonal, and communication skills to be able to maintain effective working relationships with a variety of internal and external contacts. You must have understanding of programming and application development principles and technologies, ability to access and perform SQL query and an understanding of principles of API and integrations. This position requires competency with MS office and spreadsheets as well as basic understanding of accounting. A valid Class 5 BC Driver's Licence is required.

This is a full-time position to commence immediately. We offer a competitive salary for this CUPE position and a full range of benefits.

Qualified persons are requested to submit their resume quoting **Competition No. 1834** by **9:00 p.m. Sunday, December 9, 2018**, to:
