

North Westside Fire Rescue Open House

You're invited to join your North Westside Fire Rescue firefighters at a **special Open House**.

Come out between 7:00 and 9:00 pm Tuesday, January 22nd and meet your firefighters! All ages are welcome. Try your hand at some firefighting skills and learn a little more about what they do! The hall's located at 514 Udell Road.

This is a perfect opportunity for anyone interested in becoming a paid-on-call firefighter to learn more about serving the community, the equipment and training involved and the commitment required.

Applications will be available during the Open House evening. Applications and recruitment information is also available for downloading and printing on the RDCO website www.regionaldistrict.com/fire recruit.

Training will be provided for successful applicants during the department's regular evening or weekend sessions.

Paid-on-call firefighters come from every walk of life. From school teachers, to tradespeople and paramedics.

Some take the opportunity to parlay the skills they learn and experience they gain by pursuing a full-time career in the fire service.

It's rewarding, exciting and fun!
