

Parks Planning and Development Technologist Co-op Student

The Parks Services Department is seeking applications for a full-time, term position of *Parks Planning and Development Technologist* Co-op Student. Reporting to the Manager of Parks Planning, Capital Projects & Visitor Services, you will be responsible for assisting in the acquisition, planning, design and preparation of development plans for parks and recreation facilities in the Regional District of Central Okanagan. This position assists in the collection, management, analysis, interpretation and presentation of digital spatial data for the management of all aspects of regional parks and trails.

To be successful in this role, you must have experience and understanding of park, trail and facility design, civil engineering, site surveying and layout and tender preparation. Excellent written/oral communication skills, organizational skills and the ability to work well in a team with minimal supervision are essential. The successful candidate must be currently enrolled in post-secondary education in Landscape Architecture, Civil Engineering, or a related site planning discipline. Proficiency in MS Office as well as experience in computer assisted drafting software (AutoCAD), Geographic Information Systems (ESRI), GPS, and surveying systems is required.

Student program eligibility requirements are that you must be currently attending full-time education and returning to full-time studies in the subsequent academic year.

We offer a wage of \$17.00 per hour and a 35 hour work week. The term for this position is from May 6, 2019 to August 30, 2019, however we are flexible for school requirements.

Qualified persons are requested to submit their resume quoting **Competition No. 1918** by **9:00 p.m.** Sunday, March 10, 2019, to:

Manager of Human Resources
Regional District of Central Okanagan
1450 KLO Road, Kelowna, B.C. V1W 3Z4
e-mail: apply@cord.bc.ca Fax: 250-763-7497
