Regional Park Forest Preschool Information Session

You're invited to learn more about an exciting pilot project as the Regional District expands the horizons of one of its regional parks.

Come out to an information session on Thursday, March 14th from 3:00 to 6:00 pm at [Woodhaven Nature Conservancy Regional Park](#), 4711 Raymer Road.

Staff will be on hand to answer questions and share information about the outdoor forest preschool planned at the park in partnership with the Clubhouse Child Care Centre. On weekdays it will operate the *Treehouse Forest Preschool* with scheduled morning field trip sessions for kindergarten classes and childcare facilities and an afternoon preschool for registered youngsters.

Find out more about this unique opportunity for learning and playing in the outdoors by attending the March 14th session.

For more information contact Nicole Kittmer at 250-469-6263 or email nicole.kittmer@cord.bc.ca. You may also find information about this project online at www.regionaldistrict.com/your-services/parks-services/planning-and-resources.

The Regional Parks Visitor Services team provides a variety of interpretive programs for preschoolers to adults integrating classroom learning with hands-on activities and exploration in the natural setting of 30 Regional Parks.
