### **Applications Welcome for Advisory Commission Members**

If you live within the Central Okanagan West Electoral Area of the Regional District, and are interested in future development in your community, the Regional District would like to hear from you.

The Regional District is currently looking for residents who reside in the Traders Cove to Westshore neighbourhoods on the North Westside or the Trepanier and Brent Road areas of the Central Okanagan West Electoral Area to become volunteer members of the Advisory Planning Commission.

As a member of the Commission, you will work with Planning staff to advise the Regional Board on policy changes relating to planning issues and their possible impact on the community.

Information about the Central Okanagan West Advisory Planning Commission is available online by visiting [regionaldistrict.com/advisorycommissions](http://regionaldistrict.com/advisorycommissions) or by contacting Regional District Community Services by email at [planning@cord.bc.ca](mailto:planning@cord.bc.ca) or by calling 250-469-6227.

There's a convenient link to an online application form that can be completed and submitted on the [Regional District website](#). Forms may also be downloaded, completed and dropped off in person or by mail.
