

*The Regional District of Central Okanagan is an employer of choice made up of a dedicated team of people who care about the community we serve. We are located in one of the most desirable places to live in BC, in the heart of the scenic Okanagan Valley. The appeal of Okanagan Lake, the natural beauty of the surrounding hillsides and the fragrant orchards and vineyards continue to draw people to the valley. Our lifestyle is second to none especially for those who live to enjoy the outdoors.*

## Manager - Park Operations

The Parks Services Department is seeking applications for the position of *Manager - Park Operations*. Reporting to the Director of Parks Services, this position is responsible to provide day to day leadership and management supervision of the parks operations work group and assist in the delivery of overall departmental and corporate strategic goals.

As part of the management team, the Manager - Parks Operations is responsible to assist in the preparation of the 5 year financial planning, management of the Capital Assets Program, and develop park policies, strategies, bylaws, and operation procedures. This position prepares work plans, coordinates resources and equipment, while ensuring risk management strategies support a culture of safety. You represent the Regional District Park Operations division in external initiatives and must ensure a positive and proactive partnering approach to service delivery is maintained.

Qualified candidates must have a diploma in either recreational land management, landscape design and management, natural resource management and construction, park management or another relevant field with minimum of five years' of management experience in a unionized parks operation. A certificate in Risk Management Inspections of Playgrounds and Play Spaces (Parks) (CPSI) and a BC Certificate in Danger Tree Assessment (Parks Module) are required. Excellent communication, interpersonal, organization and leadership skills with a proven ability to successfully manage crews is essential. You must be proficient in using Word, Excel and Outlook. This position requires flexible work hours to meet operational requirements.
