Landfill Closure

- We continue to work with our consultants to develop a Final Closure Plan which must be approved by the Ministry of Environment.
- Alexandria Way residents with properties backing onto the landfill property buffer area are reminded that **all personal equipment and vehicles etc. must be removed from the buffer area by May 31st, 2012**. While vehicle access to their property will continue to be offered to these residents as a courtesy by the Regional District, any future change in land-use designation for the landfill property may result in a ban on all motorized vehicles in the buffer area.
